### **HULL VETERANS WEEKEND, EAST PARK, HOLDERNESS ROAD, HULL HU8 8JU**

This is a new venue for us, a Multi-period similar to Sheffield, in far better surroundings. It is a beautiful park and completely secure. The gates are locked at 8.00pm although there is a gate-keeper who will let you in and out if you have an urge to go to the Chippie, Pub or other such place.

There is a brilliant Café on site (right by our authentic camps) which serves hot and cold meals, snacks and drinks at extremely reasonable prices. They open at 7.00am for breakfast and are open throughout the day until late afternoon. The time of the battle each day is to be advised, we have also agreed to do drill in the camps. Camping is from Friday lunchtime until Monday. This is a **full society event**. Registration fee £6.

### **DRUMMERS WANTED**

Are there previous Drummers who have gone into the lines that can help me out at the event at Hull.

There will be a Drumhead Service on Sunday and as many drummers as possible are required.
